CE-200B

- Ignition piezoelectric
- 3 ceramic plates, 3 power settings
- Infrared radiation ,
- Automatic security device
- Automatic stop in case of switchover
- A protection against failures flame
- Setting power: 1.3 kW to 4.1kw
- Heat input : 4100W (299g / h)
- Space for gas cylinder up to 13 kg
- Gas Type: Butane (G30) to (28-30) mbar
- Propane (G31) at 37 mbar
- Black color / Dimension: 435 * 380 * 745
- 3 Heating Items
- Variable heating power 440 w / 88 cm
- Electric power supply 220v / 240v à 50 Hz
- Safety Guards
